

Get Organized! Study Skills for Middle School & Beyond 7/14-7/18 from 12-3 PM

For students who have completed any grades 3-5

Instructor: Krystal Moya (Admin. Asst. & Bachelors in Journalism from Eastern Illinois University)

Description: This camp prepares students organizationally for the rigors of high school. Focus is given to locker arrangement, unique study habits, making the most of a student planner, setting alarms, creating to-do-lists, and more. Save a lot of time and heart ache! Students will learn to create systems and memory exercises that work for them and test them with fun, competitive games.

Supply Fee: \$20

Sculpting with Clay 7/21-7/25 from 8-11 AM

For students who have completed grades 4-8

Instructor: Ella Brown Dunn (Art Teacher)

Description: Spend a fun filled week exploring the world of clay! Students will get one on one guidance and learn multiple techniques to create as many projects as their creativity inspires them to do. We will spend time making both sculptural and functional pieces to be enjoyed for years. Wear comfy clothes that can get a little muddy and be ready to create some masterpieces!

Supply Fee: \$40

Helping Hands I 7/21-7/25 from 8-11 AM
For students who have completed grades K - 4

Instructor: Hillary Davis & Jenna Grites (Primary C Teacher & 8th Grade ELA Teacher)

Description: Spend a week giving back to the community! During this course, students will learn needs throughout the community and be empowered to use their abilities to make positive changes. Each day they will participate in service projects to strengthen the community. The week will end with a fundraiser for Danny's Fund. Projects include cards for hospital patients, care packages for soldiers, sack lunches for a shelter and more!

Supply Fee: \$25

Helping Hands II 7/21-7/25 from 12-3 PM
For students who have completed grades 5-8

Instructor: Hillary Davis & Jenna Grites (Primary C Teacher & 8th Grade ELA Teacher)

Supply Fee: \$25

Graphic Design for Student Works 7/28-8/1 from 8-11 AM

For students who have completed grades 5-8

Instructor: Krystal Moya (Admin. Asst. & Bachelors in Journalism from Eastern Illinois University)

Description: Students learn the basics of Microsoft Suite and challenge themselves to use advanced design skills to enhance their projects. From posters and flyers to brochures and presentations, students will become experts in font style, color, shape, tools and other key elements of graphic design!

Supply Fee: \$15

Stage Makeup: Basics & Extremes! 7/28-8/1 from 12-3 PM

For students who have completed grades 5-8

Instructor: Krystal Moya (Admin. Asst. & Bachelors in Journalism from Eastern Illinois University)

Description: Makeup is the last element in stage productions that really makes characters come alive. Simple beauty makeups and basic stage applications are learned and then students build on these skills with extreme elements, such as prosthetics. Skills will be applicable to any stage production--not to mention how fun it is to create art on a living subject!

Supply Fee: \$40

TO REGISTER:

Complete the included registration form, include payment and submit to the Next Generation Primary & Middle School at 2521 Galen Dr., Champaign, IL 61821.

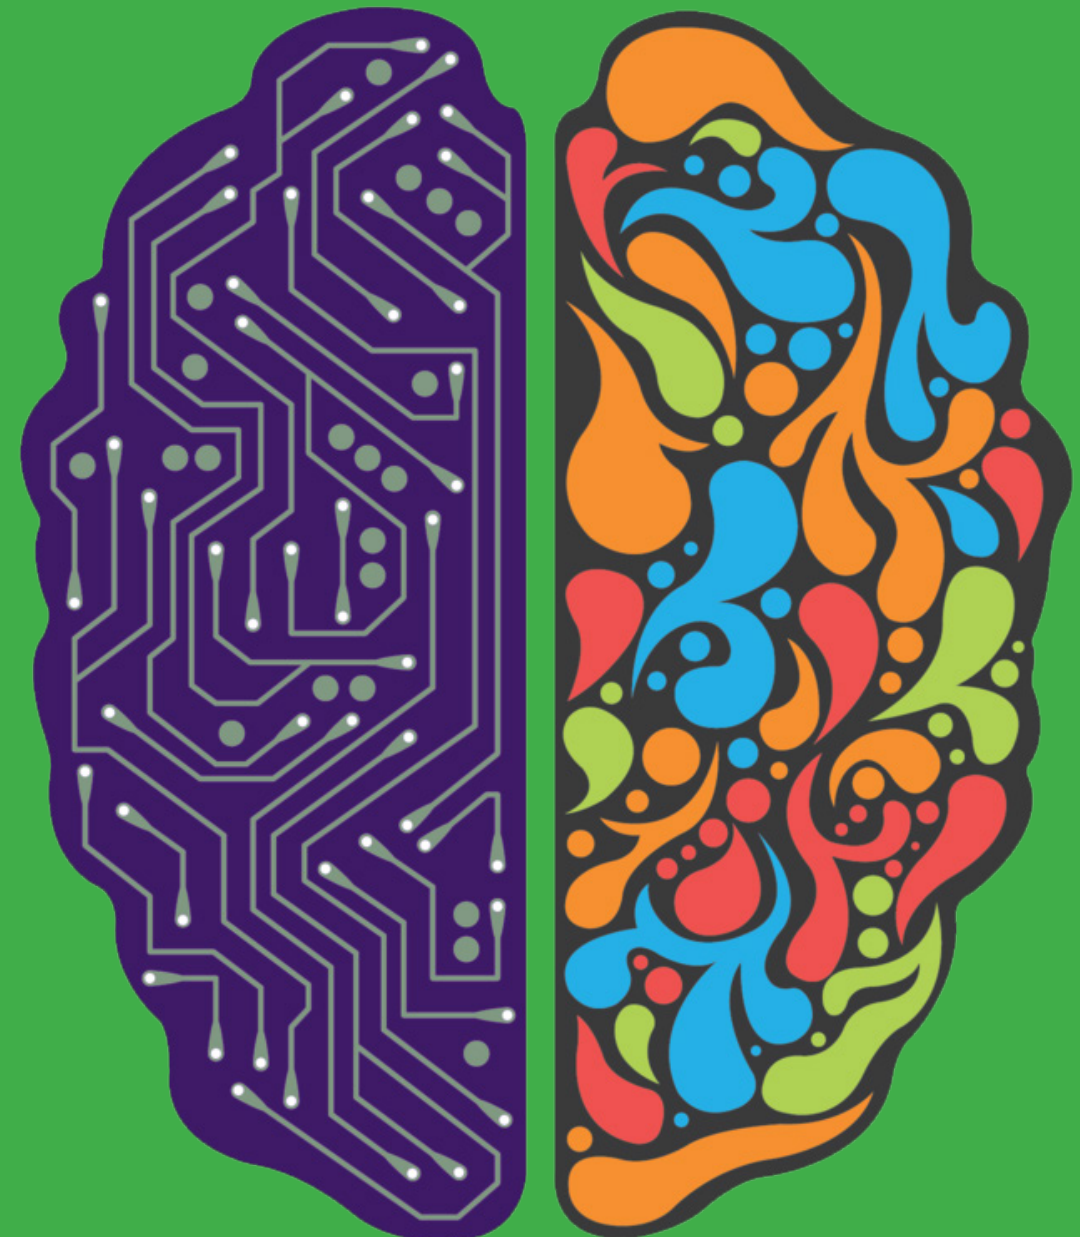

Each camp's tuition fee is \$100 plus the supply fee listed in the camp description (supply fees are non-refundable).

Students who register for NGS Summer Camp or NGS Middle School Science Camp get a \$40 per camp discount!

For more information, please read the instructions on the registration form or call 356-6995.

2014 Catalog

NGS Enrichment Camps provide an opportunity for students to take the time to explore interesting topics with Next Generation School's enthusiastic and erudite teachers and staff. Infinite possibilities for intellectual accomplishments exist when teachers who are passionate about their area of expertise combine with small groups of motivated students. Limiting groups to 15 students allows each child the opportunity to obtain one-on-one instruction within the three-hour class each day, allowing them the maximum benefit of their time, effort and energy! Students will enjoy engaging in the learning process and relating to NGS teachers and their peers in a relaxed and fun, but challenging environment provided by the Next Generation Enrichment Camps.

Creative Crafting 6/2-6/6 from 12-3 PM
For students who have completed grades 3-8

Instructor: Jenna Grites (8th Grade ELA Teacher)
Description: These fun summer projects will let us get creative! Students will have a blast making tie-dye shirts, bird feeders, key chains, jewelry, kaleidoscopes and more. Let's get crazy creative and have fun with our imaginations!

Supply Fee: \$25

Feature Writing: Stories of Life 6/9-6/13 from 8-11 AM

For students who have completed grades 6-8

Instructor: Krystal Moya (Admin. Asst. & Bachelor's in Journalism from Eastern Illinois University)
Description: Aspiring journalists ready to investigate a new way to tell stories belong in this summer enrichment camp. Each day a featured community member offers insight into their work, their lives, their stories, through group interviews. Students spend 1.5 hours mapping and writing in this fast-paced camp, reflecting the high pressure of the journalism industry to make deadline. Afterward, students will reflect and share their pieces with the class.

Supply Fee: \$15

Cheer Camp 6/2-6/6 from 12-3 PM
For students who have completed grades K-8

Instructor: Hillary Davis (Primary C Teacher & Cheer Coach)
Description: Learn how to spread school spirit and amp up the team with sideline cheers, full performance cheers, jumps and dances. Cheer camp also features team-building exercises and other games and activities. Be ready to cheer on your Trailblazers next year! No previous experience required.

Supply Fee: \$10

Creative Writing Blitz 6/2-6/6 from 8-11 AM

For students who have completed grades 5-8

Instructor: Krystal Moya (NGS Admin. Asst. & Bachelors in Journalism from Eastern Illinois University)
Description: Join Next Generation and featured professors and authors of creative writing genres to explore the elements of creative fiction. From short stories to poetry to children's literature, experts introduce students to their work and reflect on aspects of writing like character development, conflict and description. Two full hours of the camp day are spent in the writing and reflecting processes.

Supply Fee: \$15

Puzzle Quest 6/9-6/13 from 8-11 AM
For students who have completed grades K-2

Instructor: Sara Crammes (Primary B Teacher)
Description: Put your brain to the test as we wrestle a variety of puzzle challenges. Not only will we work to solve them, we will spend time creating our own versions and swapping with friends! A variety of puzzles will be explored including jigsaw, mathematical and linguistic.

Supply Fee: \$10

Exploring Cultures of the World 6/16-6/20 from 8-11 AM

For students who have completed grades K - 2

Instructor: Hillary Davis (Primary C Teacher)
Description: This camp exposes students to cultures from various countries around the world. Students become world travelers who take in traditions, feast on delightful cuisine, learn the languages and celebrate holidays of the world. Students will participate in read alouds, art projects, games and cooking.

Supply Fee: \$20

Sewing by Hand & Embroidery 6/16-6/20 from 8-11 AM

For students who have completed grades 4-8

Instructor: Jenna Grites (8th Grade ELA teacher)
Description: Different stitches, patterns and designs will work together to become fun, unique keepsakes made by hand! Join us as we create, embroider and decorate our own pillows, stuffed animals, decorations, accessories and more!

Supply Fee: \$25

Eat Well, Play Hard! 7/7-7/11 from 8-11 AM

For students who have completed grades K - 2

Instructor: Luke Bronowski (Athletic Director & Trailblazer Coach)
Description: Learning about the effect nutrition has on the body as it moves in exercise has never been more fun! Students investigate the benefits of fueling the body before exercise and how to replenish lost nutrients after exercise. Students get the chance to visit Prairie Fruit Farms and Creamery for a healthy and tasty treat!

Supply Fee: \$25

Archery Camp 7/7-7/11 from 12-2:30 PM

For students who have completed any grades 5-8

Instructor: Becky Kammin (Physical Education Teacher)
Description: Participants will learn the art of archery -- it's harder than it looks! They will also learn how to adjust and care for their bow and repair arrows. There will be shooting games, competition and prizes for all.

Supply Fee: \$10

Get Organized! Study Skills for High School & Beyond 7/14-7/18 from 8-11 AM

For students who have completed grades 6-8

Instructor: Krystal Moya (Admin. Asst. & Bachelors in Journalism from Eastern Illinois University)
Description: This camp prepares students organizationally for the rigors of high school. Focus is given to locker arrangement, unique study habits, making the most of a student planner, setting alarms, creating to-do-lists, and more. Save a lot of time and heart ache! Students will learn to create systems and memory exercises that work for them and test them with fun, competitive games.
