

Spring 2019

Career Development Workshops and Events

To see a full description and register for events, please go to Handshake @ Illinois, and search "events".

Resumania

Don't miss the opportunity to get feedback about your resume from company representatives prior to the Career Fair.

Lunch & Learn

Take some time over lunch to get insight from ECS about expectations for the job/internship search success. Each week we will cover a different topic. Please RSVP thru Handshake as pizza will be provided!

Engineering Career Fair

Hundreds of the world's top employers send recruiters to meet students, discuss opportunities, and answer questions about the workplace. Current Illinois students and alumni can find internships, co-ops, and full-time opportunities that best fit their interests and career goals. Download the app: Career Fair Plus

Prepare for Medical School Week

Join ECS for a week long series of workshops in April to prepare you for medical school.

Panel Series

New this year are specifically designed panels for the needs of job searching students. Reserve your spot today before they fill up!

Grad Guide to: Series

These workshops are designed specifically for graduate students to help develop your career.

Career Studios

Hosted by ECS career advisors, these events serve as an interactive, dynamic space where you can work on your career. Bring your career projects and get in-person feedback.

Handshake @ Illinois

Handshake @ Illinois is the place to start your career exploration. It's how employers communicate with students about job opportunities and recruitment activities. View dates for career fairs, company information sessions, workshops, schedule advising appointments, and more. All students have accounts. **Login at: handshake.illinois.edu to:**

- Schedule advising appointments
- RSVP to ECS workshops and seminars
- Access career fair information

Handshake @ Illinois Online Job Board

- View and apply to job and internship postings (including co-op and semester internships)
- Post a resume to be included in the online searchable database for employers
- Participate in on-campus interviews
- View dates of company presentations, workshops, and information sessions
